You, too, can smile at lower monthly Utility Bills!!!

Our buildings are paying for themselves.

We represent Chicago area companies with building properties from 1600-160,000 sq. ft. We own the ultimate, energy-efficient commercial building that saves us 80% or more in heating and air-conditioning costs, built by Solarcrete. When you're getting ready to build... call

(312) 698-6404

or write for brochure or videotape.
